“

We must treat new technologies positively with opportunities, not risks.” “We are not worried about the future of the Kingdom, but we look forward to a brighter future, capable of making - with Allah’s help - the human, natural and acquired wealth that Allah has bestowed upon it.”

**RH Prince Mohammed bin Salman bin Abdulaziz**

**Crown Prince of the Kingdom of Saudi Arabia**

## ABOUT US

MEP Vision Company was founded in 2010 as a result of a strategic partnership between the owners of the company. It was the founders desire to provide high quality Electro-Mechanical and advanced Low Current services to Saudi Arabia. MEP today is one of the premier technology system integrator and Electro-Mechanical contractor in Saudi Arabia. Since Evision was established in Saudi Arabia, it tends to achieve 2030 vision goals

Evision has managed to not only broaden the scope of its services but also increase its services offered by acquiring more specialized and highly trained professionals in a variety of technology
